

Dear CVIG Patients,

It is with great pleasure and excitement that I am writing to inform you of another milestone along our journey to provide the highest quality and efficient care to you, our patients, and the CVIG family. To enhance your experience while continuing to provide the highest quality of care. CVIG is expanding to two new locations beginning **December 5, 2023**. Here's where we're moving:

1. **425 S Llewellyn Ave, Dallas, TX 75208**
2. **950 Scotland Dr, Desoto, TX 75115**

It represents our continued commitment to uphold our core belief that you, our patients, are the heartbeat of our clinic. You are the most crucial aspect of our practice, and your trust in us is deeply cherished. Our mission, "One Heart. One Family. One Mission," underlines our dedication to fostering a sense of unity and care and remains a cornerstone upon which we continue to build.

Here's what you can look forward to:

- State-of-the-art cardiovascular care from the team you trust.
- A modern environment that ensures your visits are as comfortable.
- Enhanced privacy and spacious consultation areas to discuss your health with our specialists.
- Advanced diagnostic and treatment areas equipped with the latest in cardiovascular health technology.
- Ease of parking and access to our office without the need to go on elevators or through garages.

As we navigate this exciting transition, we are acutely focused on making the process as smooth and as seamless as possible. We understand changes can raise many questions, and we are here to provide the answers to any inquiries.

For any inquiries, guidance through our new setup, or a friendly chat about what this change means for you, please reach out:
